No. NGT/SLC/VISHWESHWARAIAH LAYOUT/2020-21/ 4461

Date:

12 JAN 2021

Proceedings of the Meeting held with residents of Sir. M. Vishweshwaraiah Layout BBMP officials, BDA officials, Panchayath officials and KSPCB officers to discuss solid waste management problems under the Chairmanship of The Justice Subhash B. Adi Chairperson NGT-SLC on 05-01-2021 at 2nd floor , NGT-SLC Office, Church Street, Bengaluru.

List of participants is enclosed as Annexure-1.

Preamble

The Bangalore Development Authority has formed a residential layout called as Sir. M. Vishweshwaraiah Layout with 9 blocks comprising of BBMP and village panchayath areas like sulikere and other villages, as well as other local bodies.

The residents of the said above layout living in Block-1 to Block-4 have been frequently complaining against unscientific management of solid waste and sewage in their area. The BDA which has formed the said layout is not having infrastructure to manage solid waste as per the rules and is depending upon the BBMP to dispose the solid waste. As such there is a lack of understanding between BDA and BBMP and due to which solid waste is not being properly collected and disposed off, since the Layout is not yet handed over to the BBMP as per the provisions of Bengaluru Development Act 1976 (refer to as Act).

Further some of the areas of the above layout also fall in village panchayath limits, village panchayath is also not having proper infrastructure to handle the solid waste due to lack of facilities with local panchayaths.

In order to discuss above problems a meeting was called on 05-01-2021, involving BDA, BBMP, Panchayath and KSPCB officials.

In the above said meeting the Chairman NGT-SLC highlighted the problems with regard to solid waste management and sewage in the above layout and in other newly formed BDA layouts and due to lack of co-ordination between BDA, BBMP village panchayaths and also due to lack of infrastructure by village panchayaths. There has been no proper disposal of the solid waste in the said layout. The Chairman further directed BDA to expedite handing over of the above

Go Green !

Save Earth !!

If not today !!!

Then never tomorrow !!!!
