12. Addendum 8 No.: KSPCB/717(Vol.6)/COC/2020-21/1698dated 12.08.2020.
13. Recommendations of the Committee towards proposals received from Regional Office in the meeting dated 10.11.2020.
15. Letter from Regional officer Bagalkot No. 748 dated: 26.11.2020.
16. Recommendations of the Committee towards proposals received from Regional Office in the meeting dated 12.04.2021.

With reference to above subject, it is to be informed that you have submitted a letter vide Ref (15) stating that, Vehicular Service Station without water washing and no air pollution sources, i.e No trade effluent generation and no Air pollution sources, but repair and servicing activity has to be considered under Green Category. The Regional Officer has also given weightage for

water, air pollution and Hazardous waste as per the CPCB Guidelines and it is stated to be 30. Hence, it is recommended to consider this activity under Green Category.

In view of the Regional Officer's recommendation, the subject was discussed in the committee meeting held on 12.04.2021, headed by Member Secretary, constituted for change of category of industries which are not listed in the CPCB notification, but are operating in the respective states.

The committee after verification of the details and detailed deliberation on the weightage given by you, as per the CPCB guidelines, has recommended to consider the automobile Service Station without generation of any trade effluent and no Air pollution sources **under Green Category**

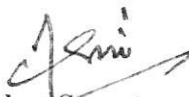

Hence you are hereby informed to consider the automobile Service Station without generation of any trade effluent and no Air pollution sources **under Green Category** and issue consent following the procedure and collecting the required Consent Fee.
