\*\*\*\*

**Preamble:**

In exercise of power conferred under the provision of Environment Protection Act 1986 the central Government notified the Solid Waste Management Rules 2016 (SWM Rules) under which time schedule was prescribed for compliance of SWM Rules by all the local bodies of respective state and union territory. Despite of National level, Regional level, state level monitoring committees were constituted for effective compliance of the directions issued by the Hon'ble Supreme Court in PIL, Supreme Court did not find much progress. Thus the Hon'ble Supreme court found it appropriate that for control and protecting of environment the matter could be better considered by the special tribunal constituted in the name and style as "National Green Tribunal" (NGT). Accordingly it referred the PIL matter to NGT for better monitoring.

It is in pursuance of the reference made by the Supreme Court, the NGT after series of hearing and monitoring NGT found necessity to constitute state level committee for effective implementation of the SWM Rules by the respective States as well as Union territories. Accordingly NGT by its order dated 16<sup>th</sup> January 2019 in O.A. 606/2018 constituted State Level Committee for each state(in short referred as SLC) headed by former Judge of the High Court and directed State Level Committee to effectively monitor the implementation of SWM Rules in their respective States and also directed to convene the first meeting of the committee on or before 15 February 2019.

The state government in pursuance of the order NGT referred to above issued notification dated 13<sup>th</sup> February 2019 notifying the constitution of SLC. In view of requirement to comply with the direction issued by the NGT referred to above the first meet of state level monitoring committee was convened 14<sup>th</sup> February 2019. Since then, state level committee has been reviewing and monitoring the implementation of SWM rules in Karnataka by conducting periodical review.
