

No. PCB/WMC/3142/MSW/NGT/2021/ 429

Date:

23 FEB 2022

PROCEEDINGS OF THE STATE LEVEL COMMITTEE (SLC)(Constituted as per Hon'ble NGT, Principal Bench, New Delhi Order O.A. No. 606/2018.) HELD ON 27.12.2021, AT ROOM No. 422, VIKASA SOUDHA, AMBEDKAR VEEDHI, BENGALURU, 560001

Preamble:

Having regard to the serious impact of unscientific disposal of solid waste by the local bodies on the environment and also on the observations made by the Supreme Court, the Central Government in exercise of its power under the provision Environment protection Act 1986 framed The Solid Waste Management Rules 2016 ("in short reference as SWM Rules 2016"). Supreme Court also transferred the public interest litigation relating Solid Waste Management to NGT which came to be numbered as OA 606/18. In the said OA all the states and union territories were made as parties to the proceedings. NGT in exercise of its power constituted state level committees for monitoring the effective implementation of SWM Rules. In furtherance with the said order as well as on the GO issued by the State Government this committee got constituted and has been monitoring the implementation of SWM Rules.

State of Karnataka on an average produces more than 11,000 solid waste/TPD out of which 50% is generated by the Bruhath Bengaluru Mahanagara Palike (In short called as BBMP).

Before the SWM Rules came into force, Karnataka notification had passed several orders for effective management of MSW. After the SWM Rules several directions were issued by the NGT however BBMP for one or other reason has not made requisite progress. In this regard special focus was made to monitor the progress made by the BBMP.

Several review meeting were held at the State level as well as District level. However, SWM Rules are not effectively implemented by most of the local bodies in the state. Un Scientific disposal of the solid waste has been causing more harm on the environment than any other pollution and in this regard to have effective involvement of state level authorities this meeting was convened by involving all concerned departments of the state.

Go Green !

Save Earth !!

If not today !!!

Then never tomorrow !!!!

This meeting was attended by the following members:

SL No	NAME OF THE OFFICER	DESIGNATION
