If not today !!!

Then never tomorrow !!!!

south and CEO Bengaluru urban Zilla panchayath raised objection as to the collection property tax by the BDA in respect of properties.

PDO Sulikere Gram panchayath requested the BDA for allotment of two acres of land for collection of waste and for other civic amenities sites as per rules applicable.

The Chairman directed the BDA representative to examine the request.

BDA, representative informed that, blocks of layouts falling under BBMP limits could not be handed over due to incomplete infrastructure like roads and same will be expediated in due course. Further stated that in respect of upcoming Kempegowda layout, infrastructure like STP with UGD have already been completed.

PDO Sulikere Gram Panchayath informed that, Gram Panchayaths are having building bye laws and authority to sanction the building plan, up to ground + 2 upper floor and will be sanctioned as per the model building bye laws 2016 which is in force and same has been notified also.

The president, Sir M. Vishweshwaraiah Layout Welfare Association (R) stated that, Gram Panchayaths are not having required infrastructure to manage the solid waste and also to sanction and supervise building plans also, raised concern over sewage inflow into Kommaghatta lake from various blocks of BDA Sir M. Vishweshwaraiah layout and also non-rejuvenation of Mallathahalli and Ullal lakes by the BBMP

The Chairman, NGT,SLC requested BDA, BBMP and BWSSB to make joint inspection of Kommaghatta lake, Ullal lake and Mallathahalli lakes and to draw an action plan to rejuvenate lakes in order to maintain wholesomeness of the lake water quality and submit a joint report within one month to the NGT –SLC. Engineer Member, BDA stated that, they have taken up sewage diversion works in respect of Kommaghatta lake and work is under progress.

Chief Engineer, BWSSB stated that, there is a proposal to install 10 MLD STP for Kommaghatta lake, if land is made available by the BDA. This aspect needs proper co-ordination between BDA as well as BWSSB.

The Member Secretary, KSPCB stated that, various authorities involved in lake rejuvenation works shall study pond eco-system of such lakes before taking up any development works and to plan, projects accordingly.

The Chairman, NGT-SLC, directed BDA, BBMP and Panchayath officials to have a similar arrangement as in the case of Sir. M. Vishveshwaraiah layout in case of other layouts that are being developed by BDA around the Bengaluru and falling out side the limits of BBMP to enable for the proper management of social waste as well as other waste as per the SWM and other relevant rules and submit the action taken report in one month from today.
