Date: **02 JAN 2018**

NOTIFICATION

Sub: Transportation of E-Waste – reg.

The Ministry of Environment, Forest & Climate Change, Government of India has notified the E-Waste (Management) Rules, 2016 on 23.3.2016 with effect from 01.10.2016. The Central Pollution Control Board has issued Guidelines for implementation of E-waste (Management) Rules, 2016 wherein Transportation of E-Waste has to be made in accordance with the Guidelines.

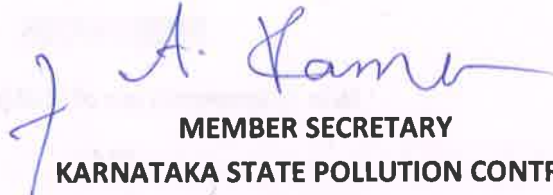

In the E-waste (Management) Rules, 2016, interstate movement of E-waste is permitted. Further, Central Pollution Control Board is approving Extended Producer Responsibility plan submitted by the Producers of e-waste. In the said Plan, the name of the Recycler is also included. In many cases, the e-waste from various parts of the country is to be transported to the facilities of Recyclers, which are located thousands of kilometers from the generation point. Even within the State, there is a necessity to ensure that the e-Waste collected reaches the dismantlers / Recyclers facility.

In order to ensure that the e-waste collected reaches the e-waste dismantlers / recycler facility, the facility owner shall ensure:

1. The producer, manufacturer, recyclers, dismantlers, bulk-consumer and refurbisher should identify the transporter who is having a vehicle with GPS facility.
2. The Transporter shall take photographs at both loading and unloading places. The photographs shall be taken at such a location showing the Name Board of the e-waste generator / processor.
3. The truck shall be weighed in the weigh bridge located close to dismantler / recycler facility.
4. Photocopy of the toll receipt given during the transit of e-waste shall be maintained.
5. Alongwith the Form No.6 (e-waste manifest) copies of Sl.No.2, 3 & 4 detailed above shall be submitted to the Board.

In case of any non-compliance , it will be presumed that the e-waste has not reached the re-processor / dismantler facility and the Producer, Manufacturer, Recyclers, Dismantlers, Bulk-Consumer, Refurbisher of e-waste will be liable for action as per the provisions of the E-waste (Management) Rules, 2016.
