CIRCULAR

Sub: Stipulating Consent Conditions to employ trained operators for Effluent Treatment Plants & Sewage Treatment Plants for Operation and maintenance.

AAAAAAAA

Board is granting Consent for establishment & Consent for operation with applicable conditions for specific industries and for infrastructure projects. In many occasions it has come to notice that untrained & unskilled operators are managing the Effluent treatment plants & Sewage treatment plants. The Industries and infrastructure projects are failing to comply to the standards prescribed by the Board for these reasons.

In view of the above, the matter was deliberated in the Board meeting and it is made mandatory to impose a condition in the CFE/CFO to industries and Apartments where STPs and ETPs capacity is more than 500 KLD to employ only trained operators with the Certification from the Skill Development Department/ any similar organisation.

MEMBER SECRETARY

Copy To:

1. All Senior Environmental Officers of the Board
2. TA to Chairman for kind information.
3. E-gov Cell, to Publish the circular on Website
4. Office Copy.
